

Dear Sir or Madam:

The [Naperville Professional Firefighters for a Cause \(NPFFC\)](#) is a 501c.3 non-profit organization founded by the members of the Naperville Professional Firefighters. The mission of the NPFFC is to seek out local causes that are doing great work in the Naperville community and support their mission by committing our resources to those causes.

The NPFFC and the Naperville Fire Department are partnering with the non-profit [Sleep in Heavenly Peace \(SHP\)](#) to bring their mission to the Naperville Community. The NPFFC has had the opportunity to build a strong relationship with many of the Naperville School Districts. Through our connection, we have learned of a large swath of needs in our community. That lesson led us to this partnership, to find a new way to give back to our community.

SHP believes that all children deserve a safe and comfortable place to sleep. So many great charities provide clothing, meals, and toys to families in need. But as wonderful as this aid is, few organizations offer suitable beds and bedding to the kids in these families. Sleep in Heavenly Peace sets out to help fill that gap. If a child needs a bed, we want to make sure they get one. Their motto: No kid sleeps on the floor in our town.

**We want you to join us in our effort to support this great cause by becoming a sponsoring partner. We are seeking financial and in-kind donations and sponsorships.**

We have various sponsorship opportunities that will produce a visible partnership with us in our effort to support the advancement of this great organization. It is our hope that you will join us in partnership with this organization that is doing such great work in our community. We will soon follow up to discuss possible sponsorship opportunities. Thank you for your time and consideration.

Respectfully Submitted,

Phil Carmody, Jeremiah Adeszko & Steve DeYoung  
Event Co-Coordinator
